Membership Application

The Three Counties Vintage & Classic Car Club was formed in October 1994 for the purpose of preserving, restoring, owning and running older vehicles – cars, motorcycles, commercials, military or any vehicle of special interest.

Membership is open to all persons – subject to the rules of the Club – who have an interest in or own a vehicle (or vehicles) of the types listed above. The Club Year runs from the 1st November and membership fees are payable for one year from that date. Anyone joining the Club part way through the year is charged on a pro-rata basis per month (see Membership Fees panel).

Meetings with other motoring clubs and social gatherings are arranged so that the “3 Counties Vintage & Classic Car Club” is geared to accommodate wives, partners, families and friends of its members.

We are the Friendly Club – Don't take our word for it, find out for yourself:-
